

SHOPPING

After EIGHT

Invitations to holiday fetes, festive dinners and black-tie affairs call for a daintier approach to choosing a timepiece. A cocktail watch – especially one that is edged in resplendent diamonds or faced in mother of pearl – is a charming companion for a high-profile engagement. After all, good things do come in small packages.

1. Rose-gold watch with diamond markers, \$23,600, Omega, omegawatches.com
