MULTI-TASKING WORKHORSES THAT CORRECT AS THEY COVER.

GUERLAIN PARURE GOLD REJUVENATING GOLD RADIANCE FOUNDATION

Calling this oil-based foundation "liquid gold" might be taking it too far but if you haven't already experienced the benefits of oil, now's the time. Oil of myrrh is the not so secret ingredient in this glow-getter.

GIVENCHY TEINT COUTURE BALM BLURRING FOUNDATION BALM

Less coverage than a foundation but with more correcting powers than a BB cream, this complexion helper glides on like a moisturiser and subtly blurs away imperfections.

GIORGIO ARMANI CREMA NUDA

LAMER THE REPARATIVE SKIN TINT SPF 30

Harnessing their signature secrets from the surf (think deep sea red algae, super-charged seaborn ferment and their iconic miracle broth), La Mer's light as air tint is a welcome addition (and upgrade) to the BB and CC game. ☺
