Lighten up

Hot, hazy days call for a change in your fragrance – so let the sun shine on these scents of summer

Complement a bronzed glow with a light, fresh fragrance. A world of sun and sand comes alive with Bobbi Brown's Beach, Sunny Diane from Diane von Furstenberg, Calvin Klein's Eternity Summer and Escada's Rockin' Rio. Or step into a summer garden with Flora by Gucci Gorgeous Gardenia and Stella McCartney's L.I.L.Y. Finally, cool down with a sparkling spritz of Burberry Brit Summer.
